- Efficient time management skills
- Focused multi-tasker
- Exceeds in creating functional & stylish spaces
- Detail oriented
- Great at communicating design concepts to clients - verbally & through the use of sketches & concept boards

EXPERIENCES

INTERIOR DESIGNER | MCNEAL & FRIENDS | MARCH 2018 – PRESENT

Assisting clients with all interior design needs – accessorizing, furnishing, staging, space planning, managing projects, ordering through vendors, & installing all furnishings. Helping walk-in customers with all merchandise-related needs – selling, advising, selecting fabrics for custom upholstery, and helping them make decisions on purchases.

VISUAL MERCHANDISER/SALES ASSOCIATE | SCAN DESIGN | 2016 – 2018

Space planning for the showroom, styling the showroom, placing new items on floor and pricing them, placing customer orders, greeting customers and helping them with all their questions and furniture needs, opening & closing the store, giving customers an overview of manufacturers and helping them understand the origin of the furniture, making sure that our displays throughout the showroom are presentable, creating, managing, and editing the Scan Design website during the time of employment.

PERSONAL HOME STYLIST & DESIGNER | OXBOW, ND | 2016 – 2017

Selecting color palettes, finishes, furniture and accessories during the process of a new build.

- Kitchen/Dining: cabinets, counter tops, flooring, hardware, furniture, wall color and window treatments
- Living Room: flooring, furniture, window treatments, wall color, and accessories
- Entryway: flooring, wall color, incorporating previous furniture into new design
